SUBJECT: January 2007 Division Report

Project Management Activities

2006 (7th) Round: At its December 6, 2006 meeting the SRFB awarded \$16 million to 95 projects in eight salmon recovery regions. Staff has prepared milestone letters for all grant recipients and will soon conduct successful applicant workshops to assist sponsors in managing their grants.

Project Administration

Sixty-two percent of the 990 funded projects have been completed (closed-completed status) or are in 'active completed' status until the monitoring component has been completed on or before the end of the five-year funding period.
